Child and babysitting safety class offered by Deltona Fire Department

July 6, 2016— The Deltona Fire Department will offer a child and babysitting safety class from 9 a.m. to 4 p.m., July 22, at Deltona Fire Station 61, 1685 Providence Blvd.

The American Safety & Health Institute (ASHI) program is for teens and pre-teens ages 11-15 and covers common safety practices for caring for children and first aid procedures. The class teaches basic care routines like diapering, feeding and dressing infants; how to interview for a babysitting job; the responsibilities and qualities of a good babysitter; how to choose safe and age-appropriate toys and games; how to keep children and yourself safe in the house and outside, and how to make good and responsible decisions. This course will teach the skills required to become a much sought after babysitter.

A certificate of completion will be awarded to each student. Cost is \$35 per person and includes lunch and all materials. To reserve a spot in the class, contact Sharon Reichardt at the Deltona Fire Department, sreichardt@deltonafl.gov or (386) 575-6907.
